

Poop Moodboard

Moodboard for Poop Test Website

The image is a dense collage of numerous infographics, charts, and illustrations centered around the topic of stool and digestive health. Key elements include:

- Bristol Stool Chart:** A vertical chart showing seven types of stools (Type 1 to Type 7) with corresponding emoji icons.
- Emoji Art:** Various creative uses of the Poop emoji (💩) and other emojis to represent different concepts like 'Friends Forever' or 'Shades of Poop'.
- Infographics:** Includes data on public bathrooms in San Francisco, the history of sewage systems, and the composition of poop.
- Font Combos:** Examples of Open Sans and Oswald fonts used together.
- Stamps:** A section showing various decorative and functional stamps related to the theme.
- Signage:** Mock-up signs for a toilet facility, such as 'MEET ME AT THE GARDEN' and 'DESIGN AT WELTEVREE TOILET'.

The overall theme is playful yet informative, addressing topics from bowel movements to digestive health through a variety of visual formats.
